ORDER DENYING CLASS CERTIFICATION

After having considered the motion filed by plaintiffs, Salvadora Ortiz and Thomas Scott, on April 23, 2018, for class certification, and responsive, opposing, and reply documents filed in reference thereto, the court has concluded that such motion should be denied inasmuch as the court is satisfied that plaintiffs have filed this action on behalf of the retirement plan in question pursuant to the authority of sections 502(a)(2) and (3) of the Employee Retirement Income Security Act [29 U.S.C. §§ 1132(a)(2) and (3)] and that there is no need for plaintiffs to proceed as representatives of a class. Therefore,

The court ORDERS that such motion be, and is hereby, denied.

SIGNED July 1, 2020.

United States District Judge
